

MANAGEMENT RESTATEMENT OF POLICY

Activity Date: June 21, 2017

Web Summary: OIG-WS-2018-307

In March 2017, we initiated an investigation into allegations that an Amtrak employee in Chicago, Illinois, violated company policy by commuting to work in a company-owned car and allowing his spouse to commute with him. While our investigation did not substantiate these allegations, it disclosed inconsistencies in how employees and managers interpret the company's vehicle policy. On June 21, 2017, management issued a Restatement of Policy to the employees and managers involved in this investigation.
