SUBJECT: Fiscal Year 2019 Agency Compliance with the Federal Managers' Financial Integrity Act (OIG Report No. 2020-001-SOIG)

The *Federal Managers' Financial Integrity Act* (FMFIA), P.L. 97-255, as well as the *Office of Management and Budget's* (OMB) Circular No. A-123, *Management Accountability and Control*, establish specific requirements for management controls. Each agency head must establish controls to reasonably ensure that: (1) obligations and costs are in compliance with applicable laws; (2) funds, property and other assets are safeguarded against waste, loss, unauthorized use, or misappropriation; and (3) revenues and expenditures applicable to agency operations are properly recorded and accounted for to permit the preparation of accounts and reliable financial and statistical reports and to maintain accountability over the assets. FMFIA further requires each executive agency head, based on an evaluation conducted in accordance with applicable guidelines, to prepare and submit a signed statement to the President and the Congress disclosing whether the agency's system of internal accounting and administrative control fully complies with requirements established in FMFIA.

EEOC Order 195.001, Internal Control Systems, requires the Office of Inspector General (OIG) to annually provide a written advisory to the Chair on whether the management control evaluation process complied with OMB guidelines. On October 25, 2019, the Office of Enterprise Data and Analytics (OEDA) submitted EEOC's Fiscal Year 2019 FMFIA Assurance Statement to the Chair and to the OIG for review.

The OIG reviewed: (1) assurance statements submitted by headquarters and district directors attesting that their systems of management accountability and control were effective and that resources under their control were used consistent with the Agency's mission and complied with FMFIA (2) all functional area summary tables, and functional

area reports and (3) OEDA's Fiscal Year 2019 Federal Managers' Financial Integrity Act Assurance Statement and attachments.

Also, *OMB Circular No. A-123*, as revised, requires management to conduct its evaluation of internal controls based on *Standards for Internal Control in the Federal Government* (the Green Book).

Based on the OIG's review, the Agency's management control evaluation process was conducted in accordance with applicable guidance.

As of this memorandum date, our auditors, Harper, Rains, Knight & Co. (HRK), did not identify any material weaknesses resulting from their audit of EEOC's Fiscal Year 2019 financial statements.
