

## OFFICE OF INSPECTOR GENERAL

### MEMORANDUM

**DATE:** February 9, 2018

**TO:** Managing Director  
Chief Executive Officer, Universal Service Administrative Company

**FROM:** Assistant Inspector General for Audit *RAM*

**SUBJECT:** Audit Termination, Audit of Universal Service Administration Company's Compensation Payments (Project No. 17-AUD-11-05)

The Office of Inspector General (OIG) is terminating the performance audit of Universal Service Administration Company's (USAC) compensation and employee payment practices, announced August 1, 2017.

During the planning phase of our audit, USAC informed us they had entered into a contract for an independent audit of USAC's procurement and employee compensation practices. Our review showed that the objectives and scope for USAC's contracted audit were similar to our announced objectives and scope. To avoid duplication of work on the projects, we are terminating our audit effective immediately.
