

**TWO EMPLOYEES RESIGN FROM COMPANY FOR ENGAGING IN  
OUTSIDE EMPLOYMENT WHILE ON FMLA LEAVE**

**Activity Date: January 21, 2021**

**Date Posted: February 8, 2021**

**Case Number: IL-20-0300-S**

**Web Summary: OIG-WS-2021-320**

Two Amtrak coach cleaners based in Sanford, Florida, resigned from the company on January 21, 2021, prior to their administrative hearings. Our investigation found the former employees violated company policy by engaging in outside employment and other activities, such as traveling on a personal vacation, which interfered with their job duties and responsibilities, and they improperly used Family Medical Leave Act leave or sick leave to do so.
