The leadership of the U.S. Securities and Exchange Commission (SEC) Office of Inspector General (OIG) is pleased to present this Strategic Plan for Fiscal Years (FY) 2025–2028. This plan provides an overview of the OIG’s strategic goals and objectives.

STRATEGIC ENVIRONMENT

The SEC’s mission is to protect investors, maintain fair, orderly, and efficient markets, and facilitate capital formation.

Over the past decade, the markets, products, and participants that the SEC oversees and regulates—including investment advisers, mutual and exchange-traded funds, and broker-dealers—have grown in volume and complexity, posing ever-evolving challenges to the SEC’s mission.

MISSION STATEMENT

The mission of the OIG is to promote the integrity, efficiency, and effectiveness of SEC programs and operations through independent and impactful oversight.

Office of Inspector General Structure

The OIG is composed of the Office of Audits, the Office of Investigations, the Office of Counsel to the Inspector General, and the Office of Operations and Management. The Office of Audits conducts, coordinates, and supervises independent audits and evaluations of the agency’s programs and operations. The Office of Investigations investigates allegations of criminal, civil, and administrative violations relating to SEC programs and operations committed by SEC employees as well as external parties. The Office of Counsel to the Inspector General serves as the general counsel to the Inspector General in all matters relating to the OIG’s operations. The Office of Operations and Management is the managing executive function for the OIG.
